

Patient Financial Policy

It is the patient's responsibility to provide the correct insurance information at the first visit. If the incorrect information is given we will not re-bill insurance and the patient will be responsible for the balance and obtaining reimbursement from their insurance.

Private Insurance Patients: (Including Medicare)

- Contact your insurance carrier prior to your visit if concerned about coverage benefits, preauthorization or co-pay information. Ultimately, you the patient are responsible for the balance.
- Co-Pay, if applicable, is required at time of service
- Please present any doctor's referral at time of service, as your insurance may require

Medicaid Patients:

- You must bring a referral from your passport provider prior to your appointment
- Please bring your current Medicaid card to the first appointment
- Co-pay, if applicable, is required at time of service

We will verify Medicaid eligibility at time of service

Workers Compensation Patients:

- To your first appointment please bring any Work Comp authorization or referral and the following information: Work Comp carrier name, address, phone number, claim adjustor name, claim number and date of injury
 - Pre-authorization and doctor prescriptions may be required prior to your first visit

Motor Vehicle Accident (MVA) Patients:

- To your first appointment please bring any Auto insurance information which may include: Insurance carrier name, address, phone number, claim adjustor name and case number
- If you have hired an Attorney, please have the Attorney's name, address, phone number and fax number
